- Save back to same file name while making one backup of original
- Prompt for new file name

IMAGE IMPORT

- No cropping
- Crop from top
- Crop from left
- Crop from right
- Crop from bottom
- Crop from center
- Pad with solid color

Pad color (click square to change)

DEFAULT CHAPTER INTERVAL

15 minutes

DEFAULT PREFIX

Section

DEBUGGING

- Log debugging info to a file

Cancel

OK

These options should be self explanatory, except perhaps for the default image import option.

Cropping is mainly useful for chapter images where you want all such images to be the same size and shape.

Click on the various cropping or padding options and you'll see a visual explanation.
